Affirming our Faith Through Song

A Hymn Festival to Highlight Stories of Our Faith

This isn't your average hymn festival! Children can and do inspire and lead us in a variety of ways, which is just what they will do when we gather together to join in song. There are just 3 anthems and 6 hymns for children to prepare ahead of time. There will be reading opportunities for children as well. Guest Conductor Amanda Page Smith will rehearse and lead the children/assembly in song.
